# BRAKES FOR KIDS

Dear Neighbor,

From February 1, 2025, through March 31, 2025, get FREE brake pads or shoes with any brake repair. Even better, 10% of the brake repair costs are donated to benefit St. Jude Children's Research Hospital®.

St. Jude Children's Research Hospital is leading the way the world understands, treats and defeats childhood cancer and other life-threatening diseases. And families never receive a bill from St. Jude for treatment, travel, housing or food — so they can focus on helping their child live. Their mission is clear: Finding cures. Saving children.®

St. Jude cares for some of the world's sickest children regardless of their race, ethnicity, beliefs or ability to pay.

So, call or stop in today to schedule a FREE brake inspection. If you should need brakes, not only will you save a lot of money, you'll be helping children and families in need.

I look forward to seeing you soon,

*Mike & Debbie*

## Know your numbers

120/80 OR LESS

### February is American Heart Month

One out of every four deaths in the United States can be attributed to some form of heart disease, including heart attack, angina, heart failure, arrhythmia and stroke.

Blood pressure can wreak havoc on the heart, arteries and other organs without exhibiting any symptoms.

Blood pressure can be dangerously high even though the individual feels fine.

Systolic, the top number and the higher number of the two scores, measures the pressure in the arteries when the heart beats, or contracts.

Diastolic, the bottom number and the lower number of the two, measures pressure in the arteries between heartbeats, when the heart is resting and refilling with blood.

The American Heart Association recommends that acceptable blood pressure be maintained at 120/80, or less.

**715,000**

Americans have a heart attack every year

**600,000**

die from some form of heart disease

**300 billion**

Overall cost of heart disease each year

# TLC FOR THE ONE YOU LOVE... YOUR CAR!

Your car doesn't ask for much. It's always there for you, getting you where you need to go. A little extra care this Valentine's Day in the form of an oil change, tune-up & basic service is the perfect gift for the one who keeps you going.

- Schedule a tune-up annually to optimize your car's performance. A well-tuned engine delivers the best balance of power & fuel economy & produces the lowest level of emissions.
- Change the oil & filter per the owner's manual. Periodic oil & filter changes keep your engine clean on the inside.
- Check the tire pressure monthly, including the spare. Your car's tires affect its ride, handling, traction & safety.
- Have the alignment checked annually. A wheel alignment reduces tire wear, improves fuel economy & handling, & increases driving enjoyment & safety.
- Inspect the windshield wipers & lights on the car. Lights & wipers play a major role in safe driving, & they're normal wear items that need periodic replacement.

Treat your car to a little tender-loving auto care this Valentine's Day & beyond...and get ready to get loved right back!
